

Curriculum Vitae

Diana Zagidullina

Personal information

Address: 13a Schapova str. 18, Kazan, 420012, Russia
Telephone: +7 919 685 18 30
Email: diano4ka160599@gmail.com
Github: github.com/dianazagidullina
Date of birth: 16th, May, 1999
Nationality: Russian

Education

Higher School of Economics, Department of Computer Science, Bachelor

2017-2021, Moscow, Russia

Additional education

- Working on project Sonya (Neural network composes music) Nov. 2018 - Mar. 2019, Sochi, Russia
- Student summit in "Artificial Intelligence and Information Technology" Oct. 2018, Sochi, Russia
- Computer vision practice in University Jul. 2018, Moscow, Russia
- The second president's school in financial technologies "FINTECH SCHOOL" Apr. 2018, Sochi, Russia
- FINNOLIS forum of innovative financial technologies Oct. 2017, Sochi, Russia
- The first president's school in financial technologies "FINTECH SCHOOL" Oct. 2017, Sochi, Russia

Secondary education

Gymnasium 102 with advanced teaching of English

Kazan, Russia, 2006 - 2011

Lyceum 131 with advanced teaching of Math and Physics

Kazan, Russia, 2012 - 2017

Competitions:

- The participant of the Europe's hackathon "Start Hack 2018" in St. Gallen 2019
- 4th place in Europe's hackathon "Start Hack 2018" in St. Gallen 2018
- 1st place in math competition of "Lomonosov" 2017
- 2nd place in math competition "Phystech" 2017
- 3rd place in math competition "Innopolis" 2017
- Russian Regional Computer Science competition, final round qualifier 2017
- 3rd place in Programming Team Competition 2016
- Russian Regional math competition, final round qualifier 2015
- 1st place in Mathematical Team Competition 2014

Summer schools:

- Summer school in Computer Science July 2016, Kazan, Russia
- Summer Mathematical School "Spectrum" Aug. 2014, 2015, 2016, Kazan, Russia
- Winter Mathematical School "Dilemma" Jan. 2016, Kazan, Russia
- President's Mathematical school "Sirius" Sep 2017, May 2015, Sochi, Russia

Skills

- **Programming languages:** C++, C, Python, Pascal, Assembler
- **Technical:** Microsoft Visual Studio, Anaconda, PyCharm, Pascal ABC
- **Personal qualities:** articulate, broad-minded, determined, initiative, versatile, sociable
- **Languages:** native Russian, fluent Tatar, fluent Ukrainian, Intermediate English
